

Tula State University was founded in 1930 and currently it is one of the well-recognized leaders in the sphere of higher technical education in our country. The university has a rich infrastructure; it has its own sports complex, a clinic, a health recreation center, two swimming pools, comfortable dormitories, etc.

Tula State University offers its international candidates a wide range of educational programs in engineering, civil engineering, computer science, natural sciences, economic, law, humanities, and medical fields.

Those who don't speak Russian are offered to take a pre-university course of Russian which is provided in five academic areas: Engineering, Economics, Humanities, Natural Sciences and Bio-Medical Sciences.

**Candidates seeking admissions to programs offered by Tula State University need to apply with the following documents:**

- previous education certificate translated into Russian; the translation should be legalized in a proper way (if necessary);
- certificate proving that previous foreign education is recognized by the Russian Federation (if necessary); it is issued by Federal Education and Science Supervisory Service ([www.nic.gov.ru](http://www.nic.gov.ru));
- passport of the certificate holder translated into Russian; the translation should be legalized in a proper way;
- medical certificate proving negative results on HIV and AIDS;
- vaccinations certificate from medical records;
- 6 photos (3x4 cm).
